Project Description

Principal's Priority

4

South High is requesting grant funding for an additional 60 computers to be able to administer Universal Screenings. These computers may include either desktop, laptop, or netbooks as allowed for on the ASD Approved Technology list. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

Benefits if Project is Funded

This funding will enable South Anchorage High School staff to create a better testing environment for students during the 2011-12 school year when the Response to Instruction initiative gets underway at South Anchorage High School. If not funded, South Anchorage High School would have scheduling difficulties regarding the administration of Universal Screenings.
